Motion: The LCANA Website Chair Submitted the LCANA Website Policy in December of 2020. It has been thoroughly reviewed by the LCANA Web Chair, Area Chair, and previous Policy and PR Chairs, and amended as appropriate. The Website Policy document is titled: 1220P2 Website Policy, and this Motion 1220P1 introduces it. The Website Policy and this motion are ready to go back to home groups. This form was never given a number in December.

Intent: There is currently no formalized Website Policy for LCANA. This motion, after area approval, will add the appropriate website policy to our LCANA Policy Handbook.

The Website Policy has now been numbered starting with 16.0, and will be added in the LCANA Policy Handbook at that section of the Handbook after approval by home groups.
